

Startup Application Instructions for the European Angel Investment Summit 2022

If you wish to be selected to pitch at the European Angel Investment Summit 2022, taking place on 11-12 October in Brussels, Belgium, please submit your investment project on the InvestEU Portal by 9th September 2022, following the instructions below:

- Open the link https://ec.europa.eu/investeu-portal/myportal/event/EAIS_2022 and enter your EU Login details. If you do not have an EU Login, please create one on the same page.
- After logging in, please complete all 3 parts of the application form (profile – organisation – project). You can submit more than one project per organisation/company. Your organization may be based in any country, however, your project must be based in the European Union.
- On the second part of the application form (organisation), upload documents establishing the company's legal entity (e.g. registration extract) and any other relevant documents (e.g. recent audited financial statements, activity reports) detailing the activity of the company.
- For the application to the event to be correctly submitted, all required fields in the 3 sections must be completed. Please note that only complete submissions will be considered valid. **You will know that your application is complete once you receive an email confirmation indicating your unique reference number (format: INPO-20XXXXX).** Quote this reference number in all future communications with either the EBAN or InvestEU Portal team.
- After submitting your application, you will be contacted by EBAN and notified if you have been selected to participate at the **European Angel Investment Summit 2022**.

Note: If you already have an existing profile on the InvestEU Portal and would like to apply to EAIS2022, please simply click on the application link while being logged into your profile on the platform. There are no further steps necessary for the application to be submitted in this case.

The European Commission is committed to personal data protection. Directorate-General for Economic and Financial Affairs (in charge of InvestEU Portal) is processing your personal data under Regulation (EU) 2018/1725 for the purpose of this event. By submitting your project for this specific event, please note that your contact data will be transmitted to EBAN for the selection of participants.

During the event photographs/pictures, presentations and/or audio and video recordings of speakers and participants may be taken. They may be published in the context of the event and in the framework of InvestEU Portal activities. Please note that you assume full responsibility for the collection and or publication of pictures, audio visual recordings and/or for any other processing of personal data that you might carry out during the event at your own initiative.

For more details on how your personal data is managed, please refer to https://ec.europa.eu/investeuportal/desktop/en/Privacy_Statement.html

EBAN applies its own privacy policies, which are in compliance with the General Data Protection Regulation (EU) 2016/679). You can find more detailed information on this link: <http://www.eban.org/privacy-policy>
